

**Care Team Conference# 1**

Recruiter convenes Care Conference #1 with those identified as important in person's life (EcoMap)

Share agenda with team members ahead of time

Use effective meeting skills to facilitate the meeting

Team reviews all information about person's story & situation: Camden Cards, Eco Maps, Root Cause, 10 yr lookback

Convene Care Team conference# 2 (may be smaller group)

Identify gaps in care, duplication, missing services

Based on Person's choice identify Lead Care Coordinator

Is LCC different from Recruiter?

LCC assumes responsibility for Shared Care Plan

Define roles and responsibility of team members

Gather additional information

Agree on next steps

Schedule 2nd Meeting

Can Shared Care Plan be written now?

**Write Shared Care Plan with Patient and Team**
